The enclosed forms are to be used to comply with the *Code of Alabama*, Section 16-1-8.1, which specifies that all components of classroom instructional support as specified in the Foundation Program with the exception of textbooks will be subject to the school-level allocation and purchasing process. The forms are also available on the Alabama State Department of Education website in the LEA Accounting Departmental Office. Please duplicate as necessary or download the forms from the website.

The allotment for Classroom Materials and Supplies may not be utilized to supplement common purchases. *Code of Alabama*, Section 16-1-8.1, Part (13), provides that the allotment for Classroom Materials and Supplies may not be utilized to supplement common purchases when the first annual Education Budget Act after October 1, 2005, appropriates a minimum of \$200 per unit for Common Purchases. Since the FY 2008 Education Budget Act (Act 2007-361) appropriated \$200 per unit for Common Purchases, the allotment for Classroom Materials and Supplies may not be utilized to supplement common purchases. The \$600 per unit appropriated for Classroom Materials and Supplies is not subject to a vote by the budget committee.
