RE: Implementation of *Act 2023-340* - Collection of Information for New Principals and Leadership Development System Contacts

Stephanie Bell
District III

I am writing to inform you of the requirements related to the implementation of *Act 2023-340*, the *School Principal Leadership and Mentoring Act*, which was passed during the 2023 Legislative Session.

Yvette M. Richardson, Ed.D.
District IV

As part of the implementation process, the Alabama State Department of Education is tasked with collecting essential information regarding the anticipated number of new principals for the upcoming 2024-2025 school year within each local education agency (LEA). Additionally, we need to identify the designated point of contact for the Alabama Principal Leadership Development System (APLDS) within each LEA.

District V
President Pro Tem

To comply with these requirements, each LEA is requested to complete the online form using this link: [APLDS New Principals and Point of Contact](#) to indicate the anticipated number of new principals and the designated APLDS point of contact. Please note that the provided numbers and contact information are subject to change as we approach the commencement of the fall term. Should any changes occur, LEAs are encouraged to submit updated forms accordingly.
