Human Services Cluster Program Guide

This cluster prepares students for employment in career pathways that relate to families and human needs, such as family and community services, personal care, and consumer services. There are six program areas: Consumer Services; Early Childhood Development Services; Family Studies and Community Services; Fashion; Food, Wellness, and Dietetics; and Interior Design/Real Estate. Rigorous instruction is provided to equip students with knowledge and skills needed in preparation for credentials, articulation, and/or further education.

****Courses highlighted in yellow are shared with other clusters. See "Shared Courses" table on page 3 for additional details.**

Consumer Services Program (Outgoing 2024-2025) (Must teach three courses from this program list within two years)			
Career Pathway Program	This program is for students who are interested in pursuing careers that provide services to consumers while focusing on the relationship with clients in the financial, product development, and marketing industries. Courses provide students with knowledge of economic systems, consumer credit, investments, savings, risk management, estate planning, advocacy services, protection laws for consumers, fraudulent practices, product analysis and testing, and insurance.

Human Services Cluster Program Guide

Human Services focuses on the elements that make up the human environment and the study of human interaction, development, nutrition, and design. Students in Grades 9-12 may choose to pursue studies in any one of the following programs: Clothing, Textiles, and Interior Design; Consumer Services; Family Studies and Community Services; and Nutrition and Wellness after successfully completing the required foundation course, Family and Consumer Sciences.

Clothing, Textiles, and Interior Design Program (NEW 2025-2026) (Must teach three courses from this program list within two years)			
Career Pathway Program	This program encompasses the roles of textiles, apparel, architecture, and merchandising in daily life. Courses in this program cover topics such as fashion design, trend analysis, textile construction, retail marketing, home and landscape design, and real estate sales. This program is designed to prepare students for a variety of careers including merchandisers, marketers, real estate agents, and home stagers.

To meet the CCR Indicator as a CTE completer, a student must earn three (3.0) credits with the grade of a “C” or higher in CTE courses that are part of an approved CTE program of study. Additional requirements are outlined in [Memorandum FY22-2065](#).

This matrix is intended for general guidance on the CCR completer status and is subject to change. For all CTE programming information, please refer to the CTE Cluster specific Program Guide. It contains a list of approved CTE programs, valid course numbers, required prerequisite courses, approved Career Readiness Indicators (CRIs) and in demand occupations.

***Courses are listed in alphabetical order, not in sequential order.**
