Business Management and Administration Cluster Program Guide

This cluster prepares high school students for careers in the field of business management and administration in three career programs: Business Administrative Services, Business Information Technology, and Management. Rigorous instruction is provided to equip learners with knowledge and skills for college and career readiness.

****Courses highlighted in yellow are shared with other clusters. See “Shared Courses” table on page 5 for additional details.**

Career Pathway Program	Business Administrative Services Program (Must teach three courses from this program list within two years.) This program is for students who are interested in pursuing careers in business administration and management. Courses provide an overview of career opportunities, which are available in every sector of the economy and require specific skills in organization, time management, customer service, communication, and effective use of technology.

To meet the CCR Indicator as a CTE completer, a student must earn three (3.0) credits with the grade of a “C” or higher in CTE courses that are part of an approved CTE program of study. Additional requirements are outlined in [Memorandum FY22-2065](#).

This matrix is intended for general guidance on the CCR completer status and is subject to change. For all CTE programming information, please refer to the CTE Cluster specific Program Guide. It contains a list of approved CTE programs, valid course numbers, required prerequisite courses, approved Career Readiness Indicators (CRIs) and in demand occupations.

***Courses are listed in alphabetical order, not in sequential order.**
