#### **Education and Training Cluster Program Guide**

Education and Training focuses on preparing the next generation of educators to serve children and youth from birth through twelfth grade. Courses are designed to acquaint students with the wide variety of careers in the education field and to give them a head start on preparation for classroom teaching. After completing Foundations in Education, students may choose courses leading through one of two programs: Educators in Training and Early Childhood Education

To meet the CCR Indicator as a CTE completer, a student must earn three (3.0) credits with the grade of a "C" or higher in CTE courses that are part of an approved CTE program of study. Additional requirements are outlined in <u>Memorandum FY22-2065</u>.

This matrix is intended for general guidance on the CCR completer status and is subject to change. For all CTE programming information, please refer to the CTE Cluster specific Program Guide. It contains a list of approved CTE programs, valid course numbers, required prerequisite courses, approved Career Readiness Indicators (CRIs) and in demand occupations.

\*Courses are listed in alphabetical order, not in sequential order.
