The Alabama State Board of Education and the Alabama State Department of Education do not discriminate on the basis of race, color, disability, sex, religion, national origin, or age in their programs, activities, or employment and provide equal access to the Boy Scouts and other designated youth groups. The following person is responsible for handling inquiries regarding the non-discrimination policies: Title IX Coordinator, **Support Services**, Alabama State Department of Education, P.O. Box 302101, Montgomery, AL 36130-2101, email: [supportservices@alsde.edu](mailto:supportservices@alsde.edu).

**LEA AUTHORIZATION and RESPONSIBILITIES**

This application is to be completed for applicants seeking the TSEC and **submitted by the employing Alabama county/city superintendent** directly to the Educator Certification Section of the Alabama State Department of Education (ALSDE).

My local board of education is willing to participate in the TSEC Approach and has authorized me to employ, as a full-time employee, the applicant for whom this application packet is being submitted, subject to the issuance of a valid alternative certificate. I understand the TSEC will not be issued for the applicant until all eligibility requirements have been met and background clearance has been received. I have established procedures for monitoring the applicant's compliance with the requirements of the TSEC Approach.

If an applicant began an alternative approach **during or prior to the 2019 -2020** scholastic year (that is, five or more years ago) and **did not** complete the approach, the applicant may begin an alternative approach again under current requirements regardless of the number of previously held alternative certificates.

I have checked the **current** Alabama State Department of Education (ALSDE) Courses Application within the AIM Portal to ensure the applicant will be properly certified for each period/block of the day as a Collaborative Teacher, grades 6-12. Although several courses appear in the ALSDE Courses Application within the AIM Portal as proper certification, for purposes of the TSEC, the **only courses** an applicant can be assigned to are those approved specifically for **Collaborative Teacher, grades 6-12**.

I understand failure to appropriately assign the individual will result in the individual's inability to complete the TSEC Approach. **I understand the individual must teach full-time and cannot serve as a facilitator while completing this approach.** I understand failure to appropriately assign the individual will result in an out-of-field penalty assessment for the employing public school system.

All TSECs must be held within four scholastic years from the July 1 beginning date of the first TSEC. An individual completing the TSEC Approach can be employed in a combination of no more than two public school systems while holding the three TSECs. **The required employment experience while holding the TSEC is only applicable for employment with the public school system to which the TSEC is issued.** Although three one-year certificates may be held, individuals who successfully complete **all requirements** in one scholastic year may apply for the Professional Educator Certificate. An individual must complete at least **one full** scholastic year **while holding** the TSEC.

**I understand if the individual does not complete this approach in its entirety, the individual cannot begin any other alternative approach for ten years from the date of expiration of the last issued alternative certificate**

I understand a TSEC is only valid for employment with the public school system to which the TSEC is issued.

I understand the local education agency (LEA) is required to provide at least four practical field experiences, each lasting a minimum of 3 hours, which the individual must complete.

I understand the Interim Employment Certificate (IEC) Approach must be used for an individual who has been unconditionally admitted to an Alabama Traditional or Alternative Class A Educator Preparation Program for **Collaborative Teacher, grades 6-12**. If the decision is made to transition to this approach or another alternative approach, coursework from the State-approved program cannot be used towards completion of the alternative approach nor can coursework from the alternative approach be used to complete the State-approved program.

**LEA Representative's Initials:** \_\_\_\_\_ I understand a complete application packet can be received in the Educator Certification Section anytime during the current **2024-2025** scholastic year. However, TSEC applications received or postmarked after October 1<sup>st</sup> of the scholastic year for which the certificate is being sought will not count as a full year of full-time teaching experience. This Section will not combine months or semesters to equate to the full year of full-time teaching experience, which is required for issuance of the Professional Educator Certificate.

**LEA Representative's Initials:** \_\_\_\_\_ I am verifying a photocopy of this form, reflecting signatures, has been given to the individual and I have reviewed this document in its entirety for all-inclusive information pertaining to this approach.

I understand the appropriate LEA designees must complete the **Beginning Teacher Alternative Certification Program (Supplement BTA)** form when applying for the Professional Educator Certificate indicating acceptable performance for individuals who held less than 3 TSECs.

- If the individual's performance indicators denote "Growth Needed" or a response of "No" is procured for question 10, the individual will be required to complete another full year of full-time, teaching experience (with improvement in those areas) even if all other requirements are met.
- I also understand if the aforementioned indicators are denoted or a response of "No" is procured for question 10, the individual has been provided a copy of Supplement BTA, and documentation of the appropriate mentoring, professional learning, and/or training must be submitted. Since there is a limit on the number of alternative certificates that can be held, the LEA and the individual should be aware of the individual's performance at all times.

**LEA Representative's Initials:** \_\_\_\_\_

**RECOMMENDATION***To be completed by the employing county/city superintendent.*

I recommend this individual for the Temporary Special Education Certificate for Collaborative Teacher, grades 6-12.

BY THE APPLICANT**

**As an individual through the TSEC Approach to certification, I understand:**

1. The submission of supporting documents ONLY (e.g., official transcripts) does not constitute making an application for certification. Incomplete forms will delay the review of the file. **APPLICATION FORMS AND SUPPORTING DOCUMENTS ARE NOT ACCEPTED BY FAX OR E-MAIL.**
