[Alabama College Application Campaign February 2025](#)

*The Alabama College Application Campaign* was started over ten years ago to increase the number of students in our state applying to, and ultimately enrolling in, postsecondary education.

The *Cash for College FAFSA initiative* and *Alabama College Application Campaign* were combined into a single campaign (*Alabama Goes to College*) to help more K-12 students apply to college early and complete their FAFSA applications.

A key goal is to increase the number of young people, especially first-generation and low-income students, pursuing college degrees.
