## Hospitality and Tourism Cluster Program Guide

This cluster prepares high school students for the management, marketing and operations of restaurants and other food services, lodging, attractions, recreation events and travel related services using real work, hands-on knowledge, and skills in commercial and professional lab settings. This diversified and intensive education program enables students to pursue careers in one of three pathways: 1) Restaurant, Food, and Beverage Services 2) Lodging and 3) Recreation, Travel, and Tourism.

<b>Lodging Program</b> <b>(Must teach three courses from this program list within two years)</b> This program focuses on the knowledge and skills required to pursue staff and management workforce positions within the hotel industry. Lodging curriculum includes departments within a hotel such as: front desk, food and beverage, housekeeping, maintenance, human resources department, and accounting. Guest Service skills focuses on communication, leadership, time management, teamwork, problem solving, critical thinking, and professionalism. Within this pathway, students can pursue a national sanitation certification and industry certification.

## Human Services Cluster Program Guide

This cluster prepares students for employment in career pathways that relate to families and human needs, such as family and community services, personal care, and consumer services. There are eight program areas: Consumer Services; Early Childhood Development and Services; Family Studies and Community Services; Fashion; Food, Wellness, and Dietetics; Interior Design/Real Estate; and Cosmetology. Rigorous instruction is provided to equip students with knowledge and skills needed in preparation for credentials, articulation, and/or further education.

Career Pathway Program	Consumer Services Program (Must teach three courses from this program list within two years)		
	This program is for students who are interested in pursuing careers that provide services to consumers while focusing on the relationship with clients in the financial, product development, marketing, and real estate industries. Courses provide students with knowledge of economic systems, consumer credit, investments, savings, risk management, estate planning, advocacy services, protection laws for consumers, fraudulent practices, product analysis and testing, and insurance.		
Course Number	Career Pathway Program Courses	Career Readiness Indicator (CRI)	Workforce Careers
