Finding(s) Details:

1. The SFA did not offer one full cup of fruit that is required for the K-12 breakfast meal pattern with the grab n go meals being sent to the Elementary school students. The meal only offered ½ cup of juice. Students need to be offered 1 cup of fruit for the breakfast meal. Fifteen (15) breakfast meals observed on the day of review, January 28, 2025, did not offer the required 1 full cup of fruit needed for the breakfast meal. The fifteen (15) breakfast meals will be disallowed.
2. The SFA did not properly identify reimbursable breakfast and lunch meals. At point of sale, students are coming in and out, getting ice, and gathering making it hard to claim accurate reimbursable meals.
