ACT Workkeys NCRC Certificates Earned

Year	Bronze	Silver	Gold	Platinum
2023	12,348	14,352	5,869	3,591
2024	11,742	11,237	5,231	2,901
2025	11,358	10,466	4,697	2,592

NAEP 2024-2025: Long-Trend Assessment

- NAEP administered the long-term trend assessments which measure student performance in mathematics and reading, and allow the performance of today's students to be compared with students since the early 1970's.
 - Results will be released for the nation.
-

NAEP 2025-2026: Operational Assessments

- Grades 4 and 8- Math and Reading will be assessed.
 - A new framework has been developed for NAEP 2026 in both math and reading. Training will be provided in the fall.
 - A total of 175 schools in Alabama will be selected to participate. Selected districts will be notified by July 17, 2025.
 - The assessment window is January 26, 2026- March 7, 2026.
 - Results from the assessments will be released as the Nation's Report Card.
- Grade 8- Civics and U.S. History
 - A total of 7 schools in Alabama were selected to participate.
 - Results will be released for the nation.
