

## *List of Approved Public Charter School Authorizers*

(Updated November 2025)

Pursuant to the [Alabama School Choice and Student Opportunity Act, 2015-3](#) and [2023-420](#), as amended, public charter schools may be established in accordance with this Act by the following entities:

A local school board approved as a public charter school authorizer may approve charter schools located within the boundaries of the school system under its jurisdiction (district lines).

[The Alabama Public Charter School Commission](#).

The school districts below are currently approved authorizers of public charter schools.
