LOCAL EDUCATION AGENCY (LEA) AUTHORIZATION and RESPONSIBILITIES

- My local board of education is willing to participate in the TSEC Approach and has authorized me to employ, as a full-time employee, the applicant for whom this application packet is being submitted, subject to the issuance of a valid alternative certificate. I understand the TSEC will not be issued to the applicant until all eligibility requirements have been met and background clearance has been received.
- I understand that I can submit a complete application at any time during the 2026–2027 scholastic year for the applicant. However, if the TSEC application is received or postmarked after October 1, the experience will not count as a full year of teaching experience toward earning a Professional Educator Certificate. Partial months or semesters cannot be combined to make a full scholastic year of required teaching experience. **PLEASE NOTE** at least one of the TSEC applications must be received by October 1 so the applicant can meet the one full year of teaching experience requirement.
- All TSECs must be held within four scholastic years from the July 1 beginning date of the first TSEC. Although three one-year certificates may be held, applicants who successfully complete **all requirements** in one scholastic year may apply for the Professional Educator Certificate. An applicant must complete at least **one full** scholastic year of teaching experience **while holding** the TSEC.
- **There is a cap of three alternative type certificates.** An applicant may receive no more than three conditional, interim, provisional, or temporary certificates (or any combination of these) within the four scholastic years from July 1, 2026.
- **Current** applicants who **do not** complete this approach:
 - If the applicant does not complete the TSEC Approach and earn a Professional Educator Certificate within four scholastic years of receiving their first TSEC (July 1st), they cannot receive another conditional, provisional, or temporary certificate for five years. The five-year waiting period begins after the expiration (June 30) of the last conditional, provisional, or temporary certificate.
 - If the applicant does not complete the TSEC Approach please note, they may receive no more than three conditional, interim, provisional, or temporary certificates (or any combination of these) within the four scholastic years **from July 1, 2026.**
- **Previous** applicants who **did not** complete this approach:
 - If the applicant's last conditional, provisional, or temporary certificate expired **on June 30, 2021**, and they did not complete the approach, they may start a new conditional, provisional, or temporary certificate under the current requirements.
 - If the applicant's last conditional, provisional, or temporary certificate expired **June 30, 2022, or thereafter**, and they did not complete the approach, they may seek unconditional admission to an Alabama State-approved program and begin an Interim Employment Certificate (IEC), if there are any eligible certificates that can be held.
- I have checked the **current** Alabama State Department of Education (ALSDE) Courses Application within the AIM Portal to ensure the applicant will be properly certified for each period/block of the day as a Collaborative Special Education Teacher, grades 6-12. Although several courses appear in the ALSDE Courses Application as proper certification, for purposes of the TSEC, the **only courses** an applicant can be assigned to are those approved specifically for **Collaborative Special Education Teacher, grades 6-12.**
- I understand failure to appropriately assign the applicant may delay the review of the application and/or may result in the applicant's inability to complete the TSEC Approach.
- The TSEC is only valid for employment with the public school system to which the TSEC is issued.
- I understand the LEA is required to provide at least four practical field experiences, each lasting a minimum of 3 hours, which the individual must complete.
- An applicant who has been unconditionally admitted to an Alabama Alternative Class A Educator Preparation Program in Collaborative Special Education Teacher grades 6-12 cannot be issued a TSEC. The Interim Employment Certificate Approach must be used. The TSEC may be an option if the applicant is no longer currently enrolled in the Alabama Alternative Class A Preparation Program and has any remaining certificates available within four scholastic years from the July 1 starting date of the first certificate.
- The submission of supporting documents or paying the nonrefundable application fee **ONLY** (e.g., official transcripts) does not constitute making an application for certification. Incomplete forms will delay the review of the file. **APPLICATION FORMS AND SUPPORTING DOCUMENTS ARE NOT ACCEPTED BY FAX OR E-MAIL.**

- I understand the appropriate LEA designees must complete the **Beginning Teacher Alternative Certification Program (Supplement BTA)** form indicating acceptable performance for applicants who have held less than 3 TSECs, when applying for the **Professional Educator Certificate**.
- If the applicant's performance indicators denote **more than two** "Growth Needed" or a response of "No" is procured for question 10, the applicant will be required to complete another full year of full-time, teaching experience (with improvement in those areas) even if all other requirements are met.
- I also understand if the aforementioned indicators are denoted or a response of "No" is procured for question 10, the applicant has been provided a copy of Supplement BTA, and Form PFS cannot be submitted. Documentation of the appropriate mentoring, professional learning, and/or training must be submitted. **PLEASE NOTE** since there is a limit on the number of certificates that can be held, the LEA and the applicant should be aware of the applicant's performance at all times.
- I understand, the application process for the applicant's Professional Educator Certificate must be completed in conjunction with the LEA where the last certificate was held.
- I confirm the applicant received a signed photocopy of this form.
- I confirm and understand the LEA's responsibilities, applicant requirements/responsibilities, deadlines and important details related to the TSEC approach.
- I confirm that I have implemented formal procedures to monitor the applicant's adherence to the requirements outlined in the TSEC Approach.

IMPORTANT INFORMATION and ATTESTATIONS TO BE COMPLETED BY THE APPLICANT**As an individual through the TSEC Approach to certification, I understand:**

1. If I earned credit in more than five education courses but did not complete a traditional P-12 educator preparation program leading to certification, *I am granting permission* for the ALSDE's Office of Teaching and Leading to verify my status with the college/university and for the college/university to release any pertinent information/documents regarding my matriculation through the educator preparation program at the institution. I understand any negative information provided could impact my ability to begin the Temporary Special Education Certificate Approach. An applicant who holds an Alabama Professional Educator Certificate or Professional Leadership Certificate may be exempt from this five-course limit.
2. I must meet all Alabama certification requirements in effect on the date the application is received in the Educator Certification Section.
3. Meeting the requirements of the TSEC Approach leads to a Class B (bachelor's degree level) Professional Educator Certificate in the same teaching field and grade levels of the TSEC.
4. The AECAP Praxis subject area test(s) and score required for the first TSEC will be acceptable for issuance of the professional certificate as long as the TSEC approach is completed in the four-year window.
5. When I apply for a Professional Educator Certificate, my employing LEA must complete the Beginning Teacher Alternative Certification Program (Supplement BTA) form if I have held fewer than three TSECs.
 If my Supplement BTA reflects more than two **"Growth Needed"** performance indicators or a **"No"** response to Question 10, I will be required to complete an additional full year of full-time teaching experience with improvement in those areas before I can be recommended for a Professional Educator Certificate, even if I have met all other certification requirements.
 In this situation, the application for the Professional Certificate cannot be submitted on my behalf. Instead, documentation demonstrating appropriate mentoring, professional learning, and/or training must be provided. Because there is a limit on the number of alternative certificates that may be issued, I acknowledge the importance of maintaining satisfactory performance throughout my participation.
6. I shall no longer be eligible for certification under the TSEC or any alternative certificate approach **for five years** if I do not complete this approach or any other eligible alternative approach in its entirety and earn the Professional Educator Certificate as outlined. **The five year count begins after the June 30 date of the last held conditional, provisional, or temporary-approach certificate.**
7. An individual who does not apply **by October 1, 2030**, will forfeit the right to seek a Professional Educator Certificate through this approach. For issuance of my Professional Educator Certificate, I must meet all requirements, and in conjunction with my LEA or nonpublic submit the Application for the Professional Educator Certificate Following the TSEC Approach (Form PFS), along with any supporting documents.
8. I may not be employed on any more than three conditional, interim, provisional, or temporary-approach certificates, or any combination thereof, within the four scholastic years from **July 1, 2026**. The time frame will not be extended past the four-year window for individuals holding a conditional, interim, provisional, or temporary-approach certificate and who have not been issued the resulting Professional Educator or Professional Leadership Certificate.
9. I have carefully read the TSEC application document for issuance of the first, second, third, and Professional Educator Certificate to learn about the requirements, deadlines, and important details for getting the next certificate. I also understand it is my responsibility to stay in contact with appropriate personnel at my school system for any question(s) I may have.
10. I understand it is my responsibility to keep all personal data updated in my AIM account and on file in the Educator Certification Section current.
11. **FAILURE TO SUBMIT ACCURATE INFORMATION MAY RESULT IN REVOCATION OR NON-ISSUANCE OF THIS LICENSE/CERTIFICATE.**
