To meet the CCR Indicator as a CTE completer, a student must earn three (3.0) credits with the grade of a “C” or higher in CTE courses that are part of an approved CTE program of study. Additional requirements are outlined in [FY25-2048 Updates on Career and Technical Education Completer Status](#)

• This matrix is intended for general guidance on the CCR completer status and is subject to change. For all CTE programming information, please refer to the CTE Cluster specific Program Guide. It contains a list of approved CTE programs, valid course numbers, required prerequisite courses, approved Career Readiness Indicators (CRIs) and in demand occupations.

***Courses are listed in alphabetical order,**

Public Service and Safety Cluster Program Guide

Revised 04/01/2026

This cluster prepares high school students for careers in the law and public safety field in four pathway areas: Correctional Services, Emergency and Fire Management Services, Law Enforcement, and Legal Services. Rigorous instruction is provided to equip students with knowledge and skills needed in preparation for credentials, articulated credit, and/or further education.

****Courses highlighted in yellow are shared with other clusters. See "Shared Courses" table on page 11 for additional details.**

Career Pathway Program	Correctional Services Program (Must teach three courses from this program list within two years)		
	This program provides students with knowledge and skills needed for legal service and criminal justice careers. Courses are designed to develop workplace readiness skills in this area of study, including ethics and professionalism, constitutional and criminal laws, the court system, trial processes, juvenile justice and correctional systems, and human diversity. Students learn fundamental aspects of career opportunities, history and development of law, sources of law in society, civil law, criminal law and procedure, ethics and the justice system, reasoning skills, trial procedures, and communication and research skills.		
Course Number	Career Pathway Program Courses	Career Readiness Indicator	In Demand Occupations
15001G1000	Introduction to Public Safety – Required Foundation Course	- Alabama Emergency Medical Dispatch - Alabama Fire College Public Safety Telecommunicator - Emergency Medical Responder (EMR) - FAA Part 107 - Skills for Success – Community Health Worker - Skills for Success – Drone Operator - Skills for Success – Mastering the Customer Experience - Skills for Success – Mental Health Worker	- Detectives and Criminal Investigators - First-Line Supervisors of Police & Detectives - Police & Sheriff Patrol Officers - Probation Officers & Correctional Treatment Specialist - Public Safety Telecommunicators
15052G1000	Advanced Corrections		
15997G1001	Career Pathway Project in Law, Public Safety, Corrections, and Security		
15997G1002	CTE Lab in Law, Public Safety, Corrections, and Security		
15055G1000	Forensic Science and Crime Scene Investigation		
15051G1000	Introduction to Criminal Justice		
15054G1001	Law Enforcement and Corrections		

Career Pathway Program	Emergency and Fire Management Services Program (Must teach three courses from this program list within two years)		
	This program is for students who are interested in pursuing careers in Emergency and Fire Management services. Courses provide students with information regarding career possibilities in firefighting, including instruction in application of firefighting techniques, emergency medical profession, and specialized public service jobs. Topics include forcible entry; tactical ventilation; fire control; loss control; fire origin and cause determination; firefighter survival; hazards, behavior, and identification of hazardous materials and weapons of mass destruction; and hazardous material operations, product control and personal protective equipment. Students who successfully complete Fire Science I and II and pass the certification tests will earn 160 of the 360 hours required to complete Alabama Fire College Firefighter I and II certifications.		
Course Number	Career Pathway Program Courses	Career Readiness Indicator	In Demand Occupations
15001G1000	Introduction to Public Safety – Required Foundation Course	- Alabama Emergency Medical Dispatch - Alabama Fire College Public Safety Telecommunicator - Certified EKG Technician (CET) - Emergency Medical Responder (EMR) - FAA Part 107 - National Emergency Medical Technician (EMT) - National Fire Protection Association (NFPA) – Hazardous Materials/WMD Awareness Level - National Fire Protection Association (NFPA) – Hazardous Materials/WMD Operations Level - National Fire Protection Association (NFPA) 470 – Hazardous Materials/Weapons of Mass Destruction - National Fire Protection Association (NFPA) 1010- Firefighter I - National Fire Protection Association (NFPA) 1010- Support Person - NCCER Heavy Equipment Operations Simulation Based Credential - Skills for Success – Ambulance Operator - Skills for Success – Community Health Worker - Skills for Success – Drone Operator - Skills for Success – Mastering the Customer Experience - Skills for Success – Mental Health Worker	- Emergency Medical Technician - Fire Fighter - Paramedic - Public Safety Telecommunicators

15151G1000	Fire Science II		

Career Pathway Program	Law Enforcement Services Program (Must teach three courses from this program list within two years) This program is for students who are interested in pursuing careers in law enforcement and forensic science. The student will learn the role and responsibilities of a law enforcement officer; discuss relevant rules, regulations, and laws; and demonstrate defensive tactics, police patrol techniques, and CPR and First Aid procedures as used in emergency situations. Meeting and maintaining physical fitness standards for law enforcement is also emphasized in this course. The courses also focus on career opportunities, safety, history of forensic science, criminal investigation, forensic serology and DNA testing, forensic studies in anthropology, toxicology, fingerprinting, firearms, physics, and document examination.
